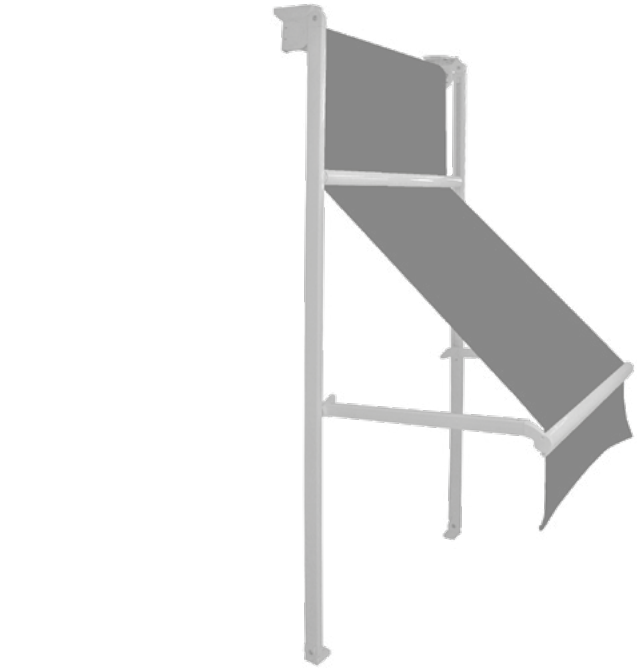
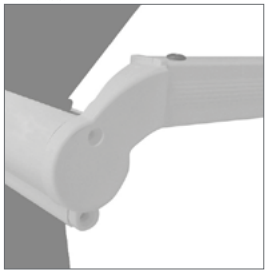
GENOVA

GENOVA

TENDE A CADUTA

Drop awnings
Stores bannette
Fallarm und Fassadenmarkisen
Toldos telon recto





IT GENOVA è una tenda verticale con guide laterali dedicata alla posa su balconi. Questo modello può essere con oppure senza braccetti. Il braccetto scorre a caduta nelle guide e viene poi fissato nella posizione desiderata (regolabile fino a 160°) tramite una apposita manopola di bloccaggio. L'installazione è sia a parete che a soffitto.

EN GENOVA is a drop awning on side aluminum profile guides for balconies. This model may be with or without arms. The arms slide inside the guides and locked in the desidered position (adjustable up to 160°) acting on a dedicated locking handle. The installation may be on the wall as well as on the ceiling.

FR GENOVA est un store bannette vertical personnalisé adapté pour balcons. Ce modèle peut être utilisé avec ou sans bras à ressort. Les bras glissent dans des guides et se bloquent dans la positionne souhaitée (réglage jusq'à 160°) par une poigné de blocage. La pose peut se faire à mur ou plafond.

DE GENOVA Fall-Markise mit seitlichen Führungsschienen für Terrassen. Kann mit Fall-Armen ausgerüstet werden. Diese verlaufen senkrecht in den Schienen und werden auf der gewünschten Höhe fixiert (bis 160° einstellbar) mittels eines Fixierungsgriffes. Wandoder Deckenmontage möglich.

ES GENOVA es un toldo vertical con guias laterales destinado a los balcones. Este modelo puede ser con o sin brazos. El brazo desliza en las guias y es fijado en la posición deseada (regulable hasta 160°) a través de una manilla de bloqueo. La instalación se puede realizar igual a pared que a techo.
